To Whom It May Concern,

We are pleased to write this letter in recognition of Mr. Kamruddin (Kam) Shams and the Shams Family Foundation, in appreciation of their meaningful contributions to our work at Accelerate Prosperity and our shared commitment to empowering the next generation of entrepreneurs and professionals.

Mr. Shams has served as a coach and mentor within our incubator and accelerator ecosystem, providing guidance to early-stage startups across technology, healthcare, and other innovation-driven sectors. Through his engagement, he has supported founders in refining their business models, strengthening leadership capacity, navigating early growth challenges, and aligning innovation with real-world impact.

Beyond individual mentorship, Mr. Shams brings a value-driven perspective that emphasizes ethical leadership, long-term thinking, and inclusive opportunity, which aligns closely with Accelerate Prosperity's mission to foster sustainable entrepreneurship and professional development among young people and emerging founders.

The Shams Family Foundation has been a valued partner in this work, reflecting a strong commitment to social impact, education, and capacity-building. The Foundation's support—both through time and expertise—has contributed to strengthening entrepreneurial ecosystems and expanding access to mentorship and professional development opportunities for aspiring innovators.

We appreciate Mr. Shams' ongoing engagement and look forward to deepening this partnership in support of future cohorts and initiatives. Should you require any additional information, please do not hesitate to contact us.

Sincerely,
Rohma Labeeb
